APPROACH USED IN THIS WORKSHOP

The training takes place in a group. Questions invite you to observe your life on the theme being dealt with and to describe your experience. The time of guided analysis is followed by optional sharing, without discussion. In order to deepen participants' personal research, the educator gives input and uses various means (diagrams, commentaries, observations notes, etc.). The variety of experiences shared in the group enriches participants. You are also invited to make well thought out decisions corresponding to your actual reality.

CONDITIONS FOR PARTICIPATION

It is recommended to have taken the *Who Am I?* and *Exploring My Inner World* workshops. The workshop is not recommended for deeply perturbed individuals or for individuals in psychotherapy, unless they receive approval from their psychotherapist.
